Vendor Questions (Black) Response (Red)

1. Our subcontractor would like to conduct a site visit to take field measurements of the windows so we can provide accurate pricing. Could you please let us know if a site visit can be scheduled and what dates/times are available?

   Response: Unfortunately, due to current time constraints, we are unable to schedule a site visit at this time. To support your pricing concerns, a window schedule with estimated measurements has been provided and should serve as the foundation for your quote.

2. The solicitation references a window schedule and requires field verification prior to fabrication, but I do not see a window schedule included with the SAM.gov attachment. Is there a window schedule available showing the approximate dimensions of the 41 window treatments for pricing purposes?

   Response: See attached document

3. The solicitation requests three similar healthcare projects. May a prime contractor satisfy this requirement using relevant past performance of its proposed installation subcontractor?
   Response: Yes

   ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
